A wooden fence is all that separates Calvin's ranch and Speck's reservation, but in many ways they are worlds apart. An unlikely friendship is struck when Calvin attempts to "break" the only horse no one else can tame. **In this new play by Canada's Red Sky Performance, themes of cultural history, environmental care, responsibility and empowerment are expressed through the sharing of Aboriginal values such as respect for the natural world.**

Education Matinee tickets are \$8 per student. Schools with an overall rate of 30% or higher of students on Free and Reduced-Price Meal programs will be given priority for special \$2 tickets through the Arts For Everyone program.
